- A. Meter Readings must be turned into the City once a month or upon the completion of the contractor’s work in or near the City, whichever comes first, and the contractor will be billed for any amount owed, over the deposit amount, not paid to the City upon completion.
- B. Contractor will not be issued another permit to take City water until any prior bills are paid. (*Ord. 2007-04 § 4, 2006*)

13.06.010 Definitions

The following terms used in this chapter are defined as follows:

“City” means the *City of Port Orford*.

“Metered Water Service” means the metered hydrant or other water source the City stipulates that contractors must use when taking City water.

“Contractor” means any commercial business licensed to contract out services. (*Ord. 2007-04 § 1, 2006*)

13.06.050 Penalties

- A. Any contractor taking water from any unmetered hydrant or other City water source without permission will be cited and issued a fine of \$25.00 to \$750.00.
- B. Any contractor taking water from the metered hydrant without first setting up an account for that instance of usage and leaving a deposit will be cited and issued a fine of \$250.00 to \$750.00. (*Ord. 2007-04 § 5, 2006*)

13.06.020 Security Deposit

All contractors requiring water must come to City Hall prior to taking any water, and shall set up an account for billing purposes and pay a deposit to the City of Port Orford. Any remaining funds in the deposit shall be refundable upon completion of the contractor’s work in or near the City of Port Orford. (*Ord. 2007-04 § 2, 2006*)

13.06.030 Rates

The City shall charge the standard rate for Contractor’s metered water usage to be set by resolution of the common council of the *City of Port Orford*. (*Ord. 2007-04 § 3, 2006*)
