General

10.04.000 Purpose and Code Provisions as Law.

The purpose of the Ordinance is to establish a Traffic Code for the City of Port Orford in order to better regulate traffic for the Protection of our streets and byways and the safety of our citizens.

The provisions of this Code are the laws of the City of Port Orford and not merely prima facie evidence of the law.

10.04.010 General Savings Provision.

This Code shall not affect rights and duties that matured, penalties that were incurred and proceedings that were begun before the effective date of this Code.

10.04.020 Continuity of Existing Provisions

The provisions of this Code that are the same in substance as code or ordinance provisions that are in effect immediately before this Code becomes effective are construed as restatements and continuations of the prior provisions.

10.04.030 Interpretation of Term "City Administrator".

Unless the context specifically indicates otherwise, any time this Code indicates that an action is to be performed by the City Administrator, that action may be performed either by the City Administrator or by the City Administrator's designee. Designation of a designee of the City Administrator may be made informally.

10.04.040 Severability.

The sections, subsections, paragraphs, provisions, clauses, phrases, and words of this Code are severable. If a section, subsection, paragraph, provision, clause, phrase, or word of this Code is declared by a court of competent jurisdiction to be unconstitutional or invalid, the judgment shall not affect the validity of the remaining portions of this Code. Every other section, subsection, paragraph, provision, clause, phrase or word of this Code enacted, irrespective of the enactment or validity of the portion declared unconstitutional or invalid, is valid.

10.04.050 Applicability of State Traffic Laws.

The following provisions of Oregon Revised Statutes, as the same appear as of the date of the adoption of this ordinance, are hereby adopted by reference and made part of this ordinance:

Chapters 153, 801, 802, 803, 805, 806, 807, 809, 810, 811, 813, 814, 815, 816, 818, 819, 820, 821, 822 and 825

ORS 221.333 and ORS 476.715

A violation of any of the above enumerated chapters or sections shall be considered offenses against the City of Port Orford when committed within its boundaries. Insofar as any of said chapters or sections above set forth conflict with any provisions of the city charter, or of any other code or ordinance of the City, then the charter, code or other ordinance shall take precedence, and shall be in full force and effect.

10.04.060

Definitions.

In addition to the definitions contained in ORS Chapters 153 and 801 to 822, the following words and phrases, except where the context clearly indicates a different meaning, shall mean:
