6. Departmental Reports:
   a. Public Works: Public Works superintendent, John Isadore, presented a detailed printed report to council members. He reported a new problem of air in the water system that caused a shutdown yesterday and forcing the water plant to run in manual currently. They will further troubleshoot tomorrow. They might have to call Dyer Engineering. Public Works is shorthanded due to vacations and hiring process. Progress with the pothole list is pending staff availability.
b. Admin/Finance: Interim CA Johnson presented a detailed printed financial and
administration report to council members. Dave Johnson advised Councilor Garratt that
IT is being handled by a combination of Comp-u-Talk and Interim CA Johnson.

c. Planning: Mayor Cox suggested a workshop jointly with the Planning Commission with
a goal to improve communication between City Council and the Planning Commission.

d. Watershed: Councilor LaRoche reported the watershed meeting is next week.

e. Liaison: Assignment of Liaison is an Old Business agenda item.
Port: Mayor Cox reported the port is getting ready to submit a request for the seawater
system to the EDA. Crab prices are up but numbers are down.

Emergency Management: Councilor Burns reported finding a Port Orford addendum to
the county emergency plan that was approved in 2010, which can be revised to be
current.

Fire: Councilors confirmed Councilor Garratt is now the fire liaison. Once the negotiation
is over there will be more informative reports.

7. Old Business:

a. Assignment of Liaisons:

School District: No liaison has been assigned for many years. Councilor Kessler
Volunteered as a liaison.

Port: Mayor Cox will remain the liaison.

TLT: Councilor Pogwizd volunteered as a liaison.

Health: Councilor Burns volunteered as a liaison.

Fire Board: Councilor Garratt volunteered as a liaison but might need assistance with
meeting attendance due to travel. Councilor Tidey volunteered to attend meetings and
volunteered as a liaison.

Parks: Councilor Tidey volunteered as a liaison.

Watershed: Councilor LaRoche volunteered as a liaison.

Emergency Management: Councilor Burns volunteered as a liaison.

Curry County: Councilors agree that current incoming reports from Curry County will
suffice. No liaison currently is needed.

CTR: Councilors agree that CTR can be removed from the list since they attend once a
year.

Planning: Councilors cannot sit in on any application process since the application are
supposed to come to Council as a new business. City Council and Planning Commission
can have workshops together in order to discuss what is best for the city in regard to
Planning.

Chamber of Commerce: The Chamber of Commerce does not currently exist. Councilor
Garratt was not successful in resurrecting the Chamber without independent funding.
Previous funds were abused and there is now a loss of trust. TLT currently provides funding to Main Street for business promotions.

**b. Discussion of Possible Seasonal Gas Tax:** Mayor Cox advised the necessity to use the term “Seasonal” when discussing the tax. The tax will provide funding for street repair, sidewalks, etc. that the city currently cannot fund. Gas tax funds are regulated by the state in Oregon. Mayor Cox does not predict this can be on the upcoming ballot. By unanimous consensus, councilors agree to move forward on the seasonal gas tax.

Councilor Garratt addressed the issues most needing a decision.

1) Value of tax: Other communities with seasonal gas taxes range from 1 cent to 4 cents. Both 1 cent and 4 cents are not very common, with 2 and 3 being more common. Councilor Garratt recommends three cents, which he feels will not be a burden and will not detract business.

2) Dates of the season: Councilor Garratt suggested six months during active tourism. Councilor Pogwizd suggested June to November, which can be discussed and decided in the future.

**8. New Business: Approval of new Liquor Licenses:**

**9. Considerations**

**a. Citizen**

Doreen Ames reminded council that the gas tax would affect the CFX coop gas station, which affects local citizens. After mayor approval, Councilor Garratt advised that is already a consideration in the development of this tax and research has begun in excluding the local coop station and the Port.

Doreen Ames went to OGC to see the OCI and noticed Planning Commission and City Council members have not filed. There are people who are not being forthcoming about being members or officers of LLCs. She was notified that a second city councilor no longer lives in the city of Port Orford. Residency requirements will be researched.
b. Staff: None.

c. Councilor
Councilor Pogwizd expressed his appreciation to Mayor Cox for his performance as mayor.

Councilor Garratt requested progress on hiring process for city administrator. Mayor Cox advised three applications have been received.

Councilor Garratt requested council to discuss changing the time of the City Council meeting back to 5:30 as previously held. This will be added to the next meeting agenda.

d. Mayor
Interview process for city administrator applicants will begin. He would like Councilor Pogwizd on the interview committee due to his experience. He would like Councilor Burns on the interview committee due to his interest and input during the process. Mayor Cox will be on the interview committee. Mayor Cox would like Steve Lawton on the interview committee due to his experience in such. Candidate applications will be provided to the council members. Concerns or comments regarding applicants should be sent to Mayor Cox. The requirement for the city administrator to live in the city limits is currently applied, but that can be amended through a special meeting if needed. The current ad states the applicant must live within 15 minutes of the city limits.

An advertisement for a finance director has been placed.
